Arkansas Chapter of the American Planning Association **2018 Spring Conference**

Thursday, March 15th (full day)

Friday, March 16th (half day)

River Market Offices, Little Rock, AR

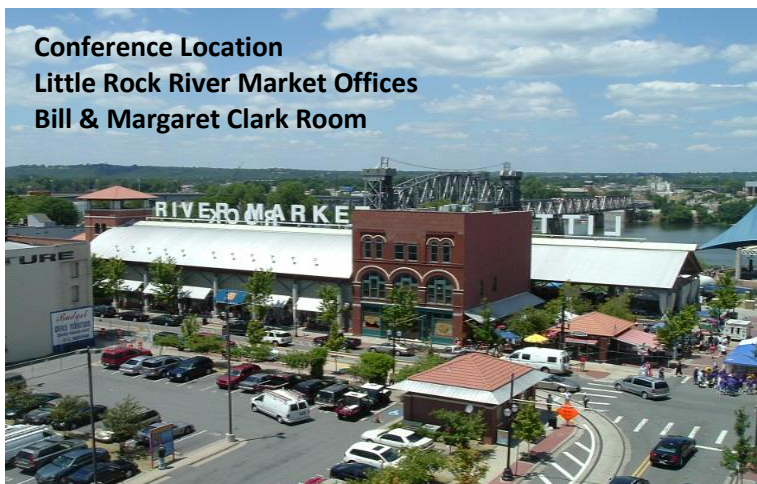

The **Arkansas Chapter of the American Planning Association** is a professional organization representing practicing planners, officials, and citizens involved with urban and rural planning within the State of Arkansas.

The Chapter offers two conferences a year. We are pleased to announce the keynote speaker for the upcoming conference is [Ryan Gravel](#). Best known for his master's thesis and early work that launched the Atlanta Beltline, he is an urban planner, designer, and author working on infrastructure, concept development, and policy as the founder of **Sixpitch**. He recently completed the **Atlanta City Design** – a strategy to design the inevitable change that is coming to the city so that Atlanta grows into a better version of itself. Building on this and other projects at Sixpitch, as well as his book, [Where We Want to Live](#), (St. Martin's Press, 2016), Ryan continues his investigation of the cultural side of infrastructure, describing how its intimate relationship with our way of life can illuminate a brighter path forward for cities.

If you would like to support the 2018 Spring Conference, please contact **Danielle Semsrott**, Chapter President via [e-mail](#) or **(479) 271-6827**.
